Office hours: Tuesday 2-3pm and Thursday 2:30-3:30pm.
If you have a conflict with these times, we can arrange for another time to meet.

Midterms: There will be two midterms which will be currently scheduled on Thursday Oct 1 and Tuesday Nov 10. Schedule changes are not envisioned, but also not excluded.

Homework: The homework is posted on the class webpage. Since the class is on a Tuesday/Thursday schedule, we will cover 3 lessons per week. You should hand in the homework for the three lessons covered in a week on Tuesday of the next week. For example: the homework for the three lessons 1,2,3 of the first week is due on Tuesday of the second week of class. The exact exercises will be recalled on Thursdays.
