

**Math 22600-004 Spring 2011  
Ordinary Differential Equations  
Supplementary Syllabus**

**Faculty:** Ralph Kaufmann  
Office: MATH 710, Tel: (765) 494-1205  
E-mail: [rkaufman@math.purdue.edu](mailto:rkaufman@math.purdue.edu)

**Homepage for the course:** <http://www.math.purdue.edu/academic/courses/MA26600/>

**Section Homepage:** <http://www.math.purdue.edu/~rkaufman/MA266sp11/266.html>

**Office hours:** Tuesday and Thursday 10:30 – 11:30 am.  
If you have a conflict with these times, we can arrange for another time to meet.

**Grading:** There will be a common final which also determines the final grade distribution.

The constituents of the total grade will be:

200 points for HW and Computer Projects

200 points for midterm exams (100 points points for each of the two exams)

200 points for the final exam.

The cutoffs for A, B, etc. will be determined by the common final exam for all sections, it depends on the numbers of A, B, etc. this section has on the final.

**Midterms:** There will be two midterms. The midterms will be evening exams.

Midterm 1:    Tuesday 02/08/11    LWSN B155    8-9pm

Midterm 2:    Monday 03/07/11    BRNG 2290    8-9pm

These dates will also be posted on the section webpage.

**Homework:** The homework is posted on the course webpage. Since the class is on a Tuesday/Thursday schedule we will cover 3 lessons per week. You should hand in the homework for the three lessons covered in a week on Tuesday of the next week. For example: the homework for the three lessons 1,2,3 of the first week is due on Tuesday of the second week of class. The exact exercises will be recalled on Thursdays and is posted on the section webpage.

## **Academic Adjustments for Students with Disabilities**

Students who have been certified by the [Office of the Dean of Students-Adaptive Programs](#) as eligible for academic adjustments should go to Undergraduate Services Office (MATH 242) **with their certification letter** and request an Information Sheet for this semester, that explains how to proceed this semester to get these adjustments made in Mathematics courses. This should be done during the first week of classes or as soon as the student receives their letter. Only students who have been certified by the ODOS-Adaptive Programs and who have requested ODOS to send their certification letters to their instructors are eligible for academic adjustments.

Students who are currently undergoing an evaluation process to determine whether they are eligible for academic adjustments, are encouraged to find out now what procedures they will have to follow when they are certified, by requesting the above mentioned Information Sheet from the Undergraduate Services Office.

Large print copies of the Information Sheet are available from the Undergraduate Services Office upon request.
