Also, this curve should not be used as an absolute determination of what letter grade you have in the course. It is provided for your own information and as an indication of how your score compares to others. Also consider where in the range your score falls. For example, a score of 87 could be regarded as an A or a B (it is very close to a B). Your **TOTAL NUMBER OF POINTS** earned during the semester determines your final letter grade in the course.

The deadline for dropping this course is Wednesday, October 29. Any student who drops this course drops with a "W", which means withdrawal with a passing grade. You should see your academic advisor if interested. Based on past experience, a student who has failed both the first two exams has had difficulty in passing the course.
