The homework is due the next class session. For example, lesson 1 is due on Friday, January 17.

The last day to drop is Monday, March 24. All students are allowed to drop with a W.

** You will have a daily score from January 17 to February 14 (inclusive). This score is comprised of either a short, 5 minute quiz at the end of class or the process of collecting the homework due that day and grading 1-2 problems. After February 14, there will be at least 2 scores/week. The only exceptions to days that a score will not take place are the optional review days before each exam and during dead week (no quiz, but can collect homework).

No class session will be canceled.
