

Text: Calculus, Early Transcendentals, Fourth Edition by James Stewart

| Lesson | Sections | Homework                                                            |
|--------|----------|---------------------------------------------------------------------|
| 1      | 12.1     | p787: 2,3,4,6,7,10,11,15,16                                         |
|        | 12.2     | p794: 3,4,5,7                                                       |
| 2      | 12.2     | p794: 19,23,32                                                      |
|        | 12.3     | p802: 3,5,8,11,15,17,23,29,39,40                                    |
| 3      | 12.4     | p809: 1,5,8,9,11,15,23,29,33                                        |
| 4      | 6.1      | p438: 1,4,7,9,10,21,39,42                                           |
| 5      | 6.2      | p448: 1,2,9,11,16,19,44,52                                          |
| 6      | 6.3      | p454: 1,2,3,15,16,28,33,35;                                         |
|        | 6.5      | p462: 4,9,16                                                        |
| 7      | 7.1      | p474: 1,2,3,4,9,10,11,29,30,41                                      |
| 8      | 7.2      | p482: 1,7,9,14,26,27,34,49                                          |
| 9      | 7.3      | p488: 1,2,5,6,12,13,25,27                                           |
| 10     | 7.4      | p498: 1,2,9,10,15,16,31,32                                          |
| 11     | 7.5      | p504: 1,3,10,13,29,38,41                                            |
|        | 7.6      | p509: 1,3,11,16,29                                                  |
| 12     | 7.7      | p520: 1,3,5,11,21,32                                                |
| 13     | 7.8      | p531: 1,2,4,5,6,9,23,24,27,28,49,55                                 |
| 14     | 8.1      | p546: 2,3,5,7,8,31                                                  |
|        | 8.2      | p552: 1,3,7,15                                                      |
| 15     | 11.1     | p702: 4,5,7,9,10,13,15,16,17,19,26,29                               |
| 16     | 11.2     | p711: 1,3,4,5,6,9,11,13,17,27,29,41                                 |
| 17     | 11.3     | p720: 1,2,3,4,5,7,11,17,19,25                                       |
| 18     | 11.4     | p725: 1,2,3,4,11,12,13,14,29,31,32                                  |
| 19     | 11.5     | p730: 2,3,4,5,7,11,13,21,23,27                                      |
| 20     | 11.6     | p736: 1,2,3,4,5,6,15,16,17,24,25,27                                 |
| 21     | 11.7     | p739: 1,3,4,5,6,8,13,14,15,35,37                                    |
| 22     | 11.8     | p744: 3,4,5,6,13,14,19,20,25                                        |
| 23     | 11.9     | p749: 1,2,3,5,6,11,17,23,25,29                                      |
| 24     | 11.10    | p760: 2,3,4,5,9,11,14,21,25,27                                      |
| 25     | 11.11    | p764: 1,2,3,4,5,10                                                  |
| 26     | 11.12    | p772: 1,3,13,25,27                                                  |
| 27     | 10.1     | p645: 1,2,3,7,9,10,11,17,19,39                                      |
| 28     | 10.2     | p653: 1,2,3,5,6,11,15,16,19                                         |
| 29     | 10.3     | p659: 1,2,3,5,6,15,16,21,22,23                                      |
| 30     | 10.4     | p668: 1(a),(b),(c), 3(a),(b),(c), 5,6<br>15,16,17,22,29,30,35,37,43 |
| 31     | 10.5     | p674: 1,5,6,7,8,21,27,37,41,45                                      |
| 32     | 10.6     | p680: 1,2,3,11,12,15,16,18,25,31                                    |
| 33     | 10.6     | p680: 19,20,23,38                                                   |
|        | 10.7     | p686: 1,2,3,9,10,11,12                                              |
