

Ground Rules for MA 266, SPRING 2003

Midterm Examinations: To be determined by lecturer.

Final Examination: There will be a two-hour comprehensive final during exam “week”, May 5-10. The time and place will be announced later.

Grades: Your course grade will be determined from your total score of a combination of class exams and/or quizzes, homework (including Supplementary Problems), computer projects and a final exam. The final exam is 200 points.

Course Webpage: <http://www.math.purdue.edu/MA266> .

Calculators: Calculators will not be allowed on exams or quizzes.

Important Comments: Class attendance is expected. Reading the sections in the textbook ahead of time is highly recommended. Check course webpage often. It contains lecturer contact information, syllabus, Supplementary Problems, computer projects, and MATLAB tutorials for dfield6, pplane6, numerical methods and ode45.

Academic Adjustments for Students with Disabilities

Students who have been certified by the Office of the Dean of Students-Adaptive Programs as eligible for **academic adjustments** should go to MATH 242 and request an Information Sheet for **this** semester, that explains how to proceed this semester to get these adjustments made in Mathematics courses. **This should be done during the first week of classes.** Only students who have been certified by the ODOS-Adaptive Programs and who have requested ODOS certification letters are eligible for academic adjustments.

Students who are currently undergoing an evaluation process to determine whether they are eligible for academic adjustments, are encouraged to find out **now** what procedures they will have to follow when they are certified, by requesting the above mentioned Information Sheet from MATH 242.

Large print copies of the *Information Sheet* are available from MATH 242 upon request.
