Also, this curve should not be used as an absolute determination of what letter grade you have in the course. It is provided for your own information and as an indication of how your score compares to others. Also consider where in the range your score falls. For example, a score of 80 could be regarded as a C or a B (it is very close to a C). Your **TOTAL NUMBER OF POINTS** earned during the semester determines your final letter grade in the course.

The deadline for dropping the course is Wednesday, October 27. Any student who drops by this date will drop with a "W", which means you withdrew with a passing grade. Your GPA is not affected, but it does show on your transcripts. See your advisor if interested.
