

# Honors Calculus I

## Math 181 (Div 01, Sec 01)

M W F 9:30-10:20 REC 315, T H 9:30-10:20 MATH 215

Fall 2004

**Instructor:** Prof. Dominic Naughton, MATH 402

**Contact Information:** naughton@math.purdue.edu,  
dominicnaughton@hotmail.com, or 496-6053

**Office hours:** Monday 10:30-11:20, 1:30-2:20, and Wednesday 10:30-11:20.

**Text:** Thomas' Calculus (updated 10th edition, Addison-Wesley, 2002) by Finney, Weir, and Giordano.

**Calculator:** A scientific calculator will be required for the course. Graphing calculators are not allowed.

**Recitation Instructor:** Heejin Seo. In addition to the lectures a recitation lab is scheduled for Tuesdays. Your recitation instructor will go over homework questions and give short quizzes.

**Homework, Quizzes, and Exams:** Homework will be assigned on Wednesday and handed in on Friday at the start of class. Any submitted work must be stapled. Late homework will not be accepted. Your lowest score will be dropped. Homework assignments for the semester are worth 50 points. There will be at least 6 quizzes usually given out on Tuesdays by your recitation instructor. Each quiz is worth 10 points. Your lowest quiz score will be dropped. There will be 2 one-hour exams each worth 100 points. Dates for the exams will be announced at least one week in advance. There will be a final exam worth 200 points. It is comprehensive and is scheduled during final exam week.

**Grading Policy:** Grades will be determined by your performance on the exams, quizzes, and homework. The homework (50), quizzes (50), one-hour exams (200), and final (200) give a total of 500 possible points. There is no

provision for extra credit.

**Statement for Students with Disabilities:** Students who have been certified as eligible for academic adjustments by the office of the Dean for Students-Adaptive Programs should go to Math 909 during the first week of classes and request an Information Sheet for this semester. This sheet explains how to get these adjustments made in a mathematics course (procedures are not the same as last semester.) Only students who have been certified by the ODOS-Adaptive Programs and who have requested that the ODOS to send their certification letter to their instructor are eligible for academic adjustments.

Students who are currently undergoing an evaluation process to determine whether they are eligible for academic adjustments should also request an Information Sheet from MATH 909. Large print copies of the Information Sheet are available from MATH 909.

**Important Dates:** The last day to drop a course without it being recorded is Friday, September 3. The last day to drop a course without receiving a grade is Monday, September 20. The last day to drop a course with a passing or failing grade is Wednesday, October 27.

**Attendance:** You are expected to attend all classes and keep up on daily assignments. It is your responsibility to keep up with all homework assignments and announcements. No make-up exams or quizzes will be given except for religious observance, participation in University activities at the request of the University, serious illness, or bereavement. It is your responsibility to provide written evidence (signed by a third party) of the reason for your absence and to arrange a time with me for the make-up within one week of the exam or quiz that you missed.
