

Math 154, Exam 3 Information, Spring 2004

Exam 3 is on Wednesday, April 14th from 6:30 PM – 7:30 PM in the Hall of Music

You will be assigned a slightly different seat than Exam 2. Pick up your seat assignment from your instructor starting the Friday before the exam.

Only a TI-3x calculator is allowed. All others will be tossed in the trash.

Do not ask any questions during the exam unless you think there is a typo. It is not fair for an instructor to give you a hint unless the same hint is given to all the students in the Hall.

The exam consists of **14** multiple-choice questions; covering lessons 23 through 34. You will hand in your answer sheet and leave the exam site with your exam. Your answer sheet will be the only thing graded. Answer every question, since there are no points deducted for a wrong answer. Each question is worth the same amount of points. There is no partial credit.

Only the formulas from the formula sheet will be provided as the last page. All others need to be memorized. You may detach the last page when you begin the exam. The formula sheet is available at the MA 154 web page.

Previous exams are available at the course web site. Not every problem on the exam will be just like a problem from an old exam. Homework, quizzes and the review problems should be studied to be adequately prepared. The number of lessons covered on each exam varies from semester to semester. Old exams are a guide, however, be careful. All problems on the ASSIGNMENT SHEET are fair game for the exam. Do not assume that if it was not on SAGE it is not on the exam.

Contact Tim Delworth, 495-7914, immediately if you miss the exam. Only students with valid reasons will be granted alternate exams. If you know you are going to miss the exam contact Mr. Delworth as soon as possible.

BRING A PICTURE ID. If your instructor has a last minute emergency the proctor filling in for him will not know your name. **BRING A PICTURE ID TO THE EXAM.**
