2020

January

Monday 01/06 to Tuesday 05/12
Spring TA employment period.

Thursday 01/09
Mandatory meeting for mathematics students participating in the Spring TA screening.

Friday 01/10
Spring TA screening.

Monday 01/13
Spring classes start.

Friday 01/10 (10:00 am)
Deadline for graders to contact instructors.

Friday 01/17 (noon)
Common office hour schedule is finalized.

Monday 01/20
Purdue holiday—no classes today. Martin Luther King Day.

February

Friday 02/07
Purdue deadline to complete myPurdue Initial Course Participation. Instructions are at http://www.math.purdue.edu/resources/gta/

Wednesday 02/19
Summer survey about academic and employment plans for summer and the next academic year is distributed to mathematics students and all TAs.

March

Tuesday 03/03
Deadline for completing the Summer survey. Students on the waiting list for TA employment who do not submit the survey are removed from the waiting list.

Monday 03/16 to Saturday 03/21
Purdue holiday—no classes this week. Spring Break.
The application form for TA positions for non-mathematics students will be available at http://www.math.purdue.edu/jobs/tas/. You must be (or plan to be) a non-mathematics graduate student at Purdue to apply. The deadline for completed applications is 06/20. Late applications are not accepted.

Monday 03/23 (approximately)
Fall survey (schedule and teaching preference webform) is distributed to mathematics students, TAs, and limited-term lecturers. Forms must be completed by 3:00 pm on Tuesday 04/07. Instructions are at http://www.math.purdue.edu/resources/gta/. Once the survey is submitted the link to it becomes inactive but you can still make changes to your responses by emailing D Naughton and requesting another link—your original responses will be saved. You can make changes to your survey responses in this way until Friday 07/17.

Monday 03/23
Deadline for TAs to inform D Naughton about applying for paid parental leave during Summer.

Tuesday 03/24
to Wednesday 06/17 (probably)
Summer Open Enrollment on myPurdue for graduate students.

Tuesday 03/24
To Friday 08/28 (probably)
Fall Open Enrollment on myPurdue for graduate students. But the departmental deadline for mathematics graduate students to register on myPurdue and submit the Internal Registration Form to MATH 632 for Fall is Friday 04/24. The department uses the earlier deadline to plan which graduate classes are offered.

April

Friday 04/03 (subject to change)
Graduate School Summer Research Grant (SRG) offers are made. All eligible mathematics graduate students are nominated by the department.

Tuesday 04/07
Deadline to submit Fall survey. Changes to completed surveys are possible until Friday 07/17.

Tuesday 04/14 (approximately)
to Tuesday 04/28 (approximately)
Summer TA offers are made to mathematics graduate students, non-mathematics TAs and limited-term lecturers.
Tuesday 04/14 (approximately)
to Tuesday 08/18 (approximately)
Hiring decisions for Fall employment of limited-term lecturers and non-mathematics TAs currently employed by us or on the waiting list.

Friday 04/24
Deadline for mathematics graduate students to register on myPurdue and submit the Internal Registration Form to MATH 632 for Fall.

May

Friday 05/01
Summer TA assignments are announced.

Monday 05/04
to Saturday 05/09
Spring final exam week. Mandatory Summer course organizational meetings are held this week.

Tuesday 05/12 (noon)
Deadline to enter and submit grades on myPurdue. Copies of grade records (all raw scores for all students with cutoffs) must be turned in to MATH 202 but you do not have to submit printouts of myPurdue final grades. Instructions are at http://www.math.purdue.edu/resources/gta/

Tuesday 05/12
End of Spring TA employment period.

June

Wednesday 06/10
to Tuesday 08/11
Summer TA employment period.

Monday 06/15
Summer classes start.

Tuesday 06/16 (approximately)
to Tuesday 08/18
Fall TA offers to non-mathematics students. Offers occur in several waves throughout this time period.

Wednesday 06/17 (probably)
End of Summer graduate Open Enrollment on myPurdue
06/20
Deadline for Fall TA applications from non-mathematics students. More information available at http://www.math.purdue.edu/jobs/ta/

Friday 06/26
Purdue deadline to complete myPurdue Initial Course Participation. Instructions are at http://www.math.purdue.edu/resources/gta/

July

07/15 (approximately)
Email sent to all who applied for a Fall TA position about whether they have a TA screening slot, are on standby for screening slot, or do not have a screening slot. The TA screening is used to determine which students are hired as TAs. Participating in the screening does not guarantee a TA position. Screening slots are offered to people on standby up until 08/14.

Friday 07/03
Purdue holiday—no classes. Independence Day observed.

Thursday 07/16
Deadline for TAs employed or on the waiting list for Fall employment to inform D Naughton about applying for paid parental leave during Fall semester.

Friday 07/17
Deadline for making changes to Fall survey.

August

Wednesday 08/05
to Friday 08/07
Summer final exam period.

Tuesday 08/11 (noon)
Deadline to enter and submit grades on myPurdue. Copies of grade records (all raw scores for all students with cutoffs) must be turned in to MATH 202 but you do not have to submit printouts of myPurdue final grades. Instructions are at http://www.math.purdue.edu/resources/gta/

Tuesday 08/11
End of Summer TA employment period.

Monday 08/17
to Tuesday 12/22
Fall TA employment period.
Monday 08/17

to Friday 08/21

Department of Mathematics Orientation Week.

Tuesday 08/18 (2:00 pm)
Deadline to submit Fall teaching preference and schedule webform for all new mathematics graduate students and all non-mathematics students participating in the TA screening.

Wednesday 08/19 (noon)
Fall TA hiring decisions and assignments emailed to newly hired non-mathematics students.

Friday 08/21
Mandatory Fall course organizational meetings.

Monday 08/24
Fall classes start.

Tuesday 08/25
Deadline for graders to contact instructors.

Friday 08/28 (noon)
Common office hour schedule is finalized

Friday 08/28
End of Fall Open Enrollment on myPurdue.

September

Monday 09/07
Purdue holiday—no classes. Labor Day.

Friday 09/18
Purdue deadline to complete myPurdue Initial Course Participation. Instructions are at http://www.math.purdue.edu/resources/gta/

October

Monday 10/12
and Tuesday 10/13
Purdue holiday—no classes. October Break.

Monday 10/19
Spring survey (schedule and teaching preference webform) is distributed to mathematics students, TAs, and limited-term lecturers. Surveys must be completed by 3:00 pm on Tuesday 11/03. Instructions are at http://www.math.purdue.edu/resources/gta/. Once the survey is submitted the link to it becomes inactive but you can still make changes to your responses by emailing D Naughton and requesting another link—your original responses will be saved. You can make changes to your survey responses in this way until Friday 11/20.
