

DEPARTMENT OF MATHEMATICS
APPLICATION FOR GRADUATE TEACHING ASSISTANTSHIP
FALL 2008

APPLICATIONS SUBMITTED ELECTRONICALLY WILL NOT BE CONSIDERED.

Preference is given to applications completed and received by *June 30, 2008*.
 Attach *unofficial* transcripts of all post high school studies and of TOEFL.
 A print-out of SSInfo is *not* acceptable for a Purdue transcript.

You should expect to receive an e-mail from us shortly after your application has been entered in the database and an update on the status of your application between June 31 and July 7, 2008.

Last Name: _____ **First Name:** _____

Address: _____ **Cell or Home Phone:** _____

_____ **Office Phone:** _____

E-mail: _____ **Will you read e-mail daily?** _____
 (complete)

Department: _____ **Started in:** _____ **Working towards?** _____
 (semester & year) (degree)

Country of Citizenship: _____

(For non-US residents or citizens) Current visa: _____ **expires on:** _____

Sponsor on I-20 or DS-2019 _____ **expires on:** _____

Does your visa status allow you to be employed from August 17, 2008 on? - circle one

yes no (if no, explain on separate sheet)

TOEFL score _____ **Year taken** _____ (*Attach an unofficial copy of your TOEFL score*)

Have you taken a Speak Test or OEP Test? (circle one) no yes (score: _____)

(For current Purdue students)

Have you taken ENGL 001T or 001I? (circle one) no yes (**when:** _____)

Were you certified by OEPP? (circle one) no yes (**when:** _____)

List all (post high school) degrees obtained (most recent one first):

Degree	Department	Institution	Begin sem.&year	End sem.&year

Do you have any classroom teaching experience (not grading or tutoring)? (circle one) no yes

If yes, list such experience on a separate sheet. Distinguish lab instructor experience from other classroom teaching. Include dates, places and a description of your duties (how many hours a week? answering questions or covering new material? etc.):

Do you have other relevant experience? circle as many as apply

none grading tutoring other: _____

You may explain further on a separate sheet marked "other relevant experience" if you wish.

List all mathematics courses you took after high school. For courses taken at Purdue give the course number instead of its title. For non-Purdue courses, give a short description if the course title is not descriptive (e.g., Mathematics III). Use a separate sheet if necessary. Attach unofficial copies of all your (post high school) transcripts. A print-out of SSInfo is not acceptable for a Purdue transcript.

Term	Grade*	Course Title or Number	Short Description (if title not descriptive)

* If the above grading system is not a letter grade system (A, B, etc.), indicate below the conversion to a letter grade system or what a passing grade is

Have you accepted any form of employment or fellowship for Fall 2008? yes no (circle one)
 If yes, explain the form of employment, place of employment, etc. :

If no, are you waiting to hear from another Department about employment? yes no (circle one)
 If yes, by when would you know? Is it a 1/2-time or 1/4-time position?

The screening and training takes in the whole week of August 18-22 and attendance to all workshops is mandatory. Will you be free for the whole week? If not, list when not. *Check first with your department about any activity planned during that week.* (Being able to attend is a condition for being considered as an applicant.)

I understand that I am required to inform J. Morris – see below – immediately of any changes to the information provided here, including how to reach me during the summer.

Date : _____ Signature : _____

If you have questions, please contact Ms. J. Morris - MATH 820; (765) 494-5964; jmorris@math.purdue.edu or send e-mail to saerens@math.purdue.edu

Completed applications may be turned in to MATH 820 or MATH 835 or they may be mailed to Ms. J. Morris, Department of Mathematics, Purdue University, 150 N. University Street West Lafayette, IN 47907-2067 or faxed to (765) 494-0548.

APPLICATIONS SUBMITTED ELECTRONICALLY WILL NOT BE CONSIDERED.
