

**Purdue University
Department of Mathematics
Mathematics K-12 Outreach
High School Testing Program
Math Order Form, 2008-2009**

If you are interested in participating in the High School Testing program, return the order form at least three weeks prior to the administration date. Orders can be mailed, faxed, or completed online at: <http://www.math.purdue.edu/outreach/highschooltesting/onlineorder>. All orders must be received by April 17, 2009. You will receive an email confirmation for your order. If you do not receive an email, please contact us to assure we have your order!

Test results are saved as pdf files (readable using Adobe Reader) and emailed to each school. To receive test results, print your email address below.
