MA 503 – 0201 Abstract Algebra
Fall 2007

Instructor: C-Y. Jean Chan, Ph.D.
    E-mail: chan@math.purdue.edu    Phone: 494-1981
Office: MATH 816
Office hours: M. & F. 2:00 - 2:50, Tues. 3:00 - 4:00 pm and by appointment
TA: Bogume Jang (MATH 1030)

Class Time and Place:
    MWF 9:30 - 10:20 AM, BRNG 1206

Other References : Hungerford, 'Algebra'
    Stuart, 'Galois Theory'

Homework: Homework will be collected on every Wednesday in class starting the
    second week. Late homework is accepted but with certain amount of points
    deducted each day after the due day. The assignment is announced weekly in
    class.

Attendance: No attendance will be taken in class but students are responsible for
    knowing the material, assignments, etc. present and announced in class. Students
    are strongly urged to attend the problem section MA 598A on Tuesdays
    9:30 - 10:20 AM at UNIV 119.

Exams: There will be one midterm exams during the semester and a final exam at
    the end of the semester. Absolutely no make-up exams will be given without
    prior permission of the instructor. Validity of excuses is determined by the
    instructor. If an emergency happened on an exam day, a notice within 24 hours
    is required in order to make up the exam, which is missed. No calculators are
    allowed in midterms and final exams.

Grades: The course grade is based on the following weight:
    One midterm exam: 100 points
    Final exam: 200 points
    Homework: 300 points in total
