**MATH 262 Linear Algebra And Differential Equations Spring 2014**

Section 113, MWF, 12:30 - 1:20 PM, UNIV 103

**Instructor**: Peijun Li, MATH 440, (765) 494-0846, lipeijun@math.purdue.edu

**Office Hours**: MW, 10:00 - 11:00 AM or by appointment

**Course Website**: `www.math.purdue.edu/~lipeijun/math262.html`

**Textbook**: Differential Equations and Linear Algebra by Stephen Goode and Scott A. Annin

**Grades**: Your semester grade is based on a total of 600 points distributed as follows.

| | |
|---|---|
| Homework | 150 pts |
| Quizzes | 50 pts |
| Midterm 1 (Feb 14) | 100 pts |
| Midterm 2 (Mar 28) | 100 pts |
| Final Exam (TBA) | 200 pts |

**Homework:** There will be twelve homework assignments including WebAssign online and hand-graded problems due on Tuesdays. Hand-graded homework must be turned in at the beginning of the recitation class. Please STAPLE all pages together. *Late homework is not accepted unless you have a valid documented excuse.*

**Quizzes:** There will be nine 20-minute quizzes at the end of the recitation class on Tuesdays. Please see the course website for the dates. *No makeup quizzes or exams will be given unless you have a valid documented excuse and notify me in advance of your absence.*

**Calculators:** Calculators will not be allowed on exams or quizzes. It is important that you learn to do simple calculations by hand.

**Academic Adjustment for Students with Disabilities:** Students who have been certified by the Office of the Dean of StudentsDisabilities Resource Center as eligible for academic adjustments should go to MATH 242 with a copy of their certification letter and request an Information Sheet for this semester, that explains how to proceed this semester to get these adjustments made in Mathematics courses. It is not the same as an year ago. This should be done during the first week of classes or as soon as the student receives their letter. Only students who have been certified by the ODOS-Disability Resource Center and who have requested ODOS to send their certification letter to their instructor are eligible for academic adjustments.

Students who are currently undergoing an evaluation process to determine whether they are eligible for academic adjustments, are encouraged to find out now what procedures they will have to follow when they are certified, by requesting the above mentioned Information Sheet from MATH 242.

Large print copies of the Information Sheet are available from MATH 242 upon request.

**Important Dates:**

Last day to drop a course without it being recorded: Monday, Janurary 27, 2014, 5:00pm.
Last day to drop a course without a grade: Monday, February 10, 2014, 5:00pm.
Last day to drop a course with a passing or failing grade: Monday, March 24, 2014, 5:00pm.
