

MATH CLUB

CALLOUT

The fall semester callout for the Purdue Math Club will occur at **6:00 PM** in **REC 108** (Recitation Building) on **Thursday, September 1th**. The club officers will present a special lecture on the set of upcoming club activities, which will include talks, game nights, and similar mathematical diversions. Afterward, there will be time for socializing and/or games, as well as problem solving. Perhaps most importantly, **pizza will be served**. For more information, please consult the club's website at <http://www.math.purdue.edu/~mathclub/> or send an e-mail to kcooley@purdue.edu.

B'Euler Up!

Only an interest in mathematics is required.
