Math 266
Ordinary Differential Equations

Professor:  J. Brown
Office:  644 Math Sci Bldg
Phone:  494-1984
Email:  jeb@math.purdue.edu
Homepage:  www.math.purdue.edu/~jeb
Office Hours:  Tuesday 11-12
              Wednesday 2-3
              Friday 1:30-2:30
              (or by appointment)

Course Webpage:  www.math.purdue.edu/MA266

Remarks
(a)  Homework is collected daily.  No late homework will be accepted (unless there arises an unusual situation).
(b)  No calculators are allowed on exams.

Important Dates
Last day to drop a course without it being recorded:  Monday, January 22, 5:00pm.
Last day to drop a course without a grade:  Monday, February 5, 5:00pm.
Last day to drop a course with a passing or failing grade:  Monday, March 19, 5:00pm.
Academic Adjustments for Students with Disabilities

Students who have been certified by the Office of the Dean of Students-Adaptive Programs as eligible for academic adjustments should go to MATH 242 with a copy of their certification letter and request an Information Sheet for this semester, that explains how to proceed this semester to get these adjustments made in Mathematics courses. It is not the same as last semester. **This should be done during the first week of classes.** Only students who have been certified by the ODOS-Adaptive Programs and who have requested ODOS to send their certification letter to their instructor are eligible for academic adjustments.

Students who are currently undergoing an evaluation process to determine whether they are eligible for academic adjustments, are encouraged to find out now what procedures they will have to follow when they are certified, by requesting the above mentioned Information Sheet from MATH 242.

Large print copies of the Information Sheet are available from MATH 242 upon request.
