

Following are the approximate letter grade cut-offs from exam 1:

Overall average for Exam 1: 65

A 90 - 100

B 80 - 89

C 62 - 79

D 50 - 61

F 0 - 49

Also, this curve should not be used as an absolute determination of what letter grade you have in the course. It is provided for your own information and as an indication of how your score compares to others. Also consider where in the range your score falls. For example, a score of 80 could be regarded as a C or a B (it is very close to a C). Your **TOTAL NUMBER OF POINTS** earned during the semester determines your final letter grade in the course.

The deadline for dropping down to a lower level math course is Wednesday, February 9. Please see Renee Roames in MATH 912 if interested. Her office hours are Monday-Friday from 10-11 a.m.
