

Following are the approximate letter grade cut-offs from exam 2:

Overall average for Exam 2: 70.5 (great job)

A 90 - 100

B 81 - 89

C 62 - 80

D 50 - 61

F 0 - 49

Also, this curve should not be used as an absolute determination of what letter grade you have in the course. It is provided for your own information and as an indication of how your score compares to others. Also consider where in the range your score falls. For example, a score of 80 could be regarded as a C or a B (it is very close to a B). Your **TOTAL NUMBER OF POINTS** earned during the semester determines your final letter grade in the course.

The deadline for dropping this class is Wednesday, October 25. All students are allowed to drop with a "W" which means withdrawal with a passing grade, regardless of the actual grade. You should see your academic advisor about dropping. Your instructor, MATH 835, or the course coordinator can sign your form.
