Also, this curve should not be used as an absolute determination of what letter grade you have in the course. It is provided for your own information and as an indication of how your score compares to others. Also consider where in the range your score falls. For example, a score of 80 could be regarded as a C or a B (it is very close to a C). Your **TOTAL NUMBER OF POINTS** earned during the semester determines your final letter grade in the course.

The final exam is Wednesday, May 3 at 8am. It is a two hour final. It will be in Lambert Fieldhouse.
