

MA 154, Spring 2006

The Exam 2 scores are posted in WebCT.

Cutoffs for Exam 2:

A 87

B 73

C 60

D 47

The average was 62.1

The median score was 67

18 scores of 100

804 students took the exam

This is odd: 12 students did not answer every question. I do not understand this.

The curve is posted to let you know how you stand against the rest of the course. Letter grades are not recorded; just raw scores. At the end of the semester, the averages of these letter grades will be close to your final grade in the course.
