MA 154   Assignment Sheet -Updated   Summer 2006

Text: <u>Algebra and Trigonometry with Analytic Geometry</u> by Swokowski / Cole, Classic Eleventh Edition, Brooks/Cole (2006).

A **one-line, TI-30** scientific calculator is required for this class. No other calculator will be allowed for quizzes or exams.

Date		Lesson	Section		Assignment
Mon	12-Jun	1	6.1	p356:	2,3,5,8,10,11,13,14,17,18,22,23,26,27 29,30,31,32,33,34,35,36,37ad,38,39,50,51
Tue	13-Jun	2	6.2	p372:	3,6,7,11,16,19,21,23,25,26,29,32

Fri	7-Jul	17	7.6	p492:	53,54,55,56,61,62,64,67
Mon	**10-Jul**				**Review for Exam 2**
Tue	**11-Jul**				**Exam 2**
Wed	12-Jul	18	8.1	p509:	5,8,10,12,13,16,17,19,21,24,25,27,28
Thu	13-Jul	19	8.2	p518:	7,9,12,15,17,19,20,22,24,25,28
Fri	14-Jul	20	8.3	p532:	2,5,8,12,13,14,16,30,33,38,39
Mon	17-Jul	21	8.3	p532:	41,43,45,46,49,51,53,55,58,59,61,63,65,68
Tue	18-Jul	22	8.4	p544:	2,3,5,10,12,14,16,18,20,23
Wed	19-Jul	23	4.5	p262:	7,10,11,12,15,16,18
Thu	20-Jul	24	4.5	p262:	20,22,26,30,32,3,5,37,40,43,45,46,47,48
Fri	**21-Jul**				**Review for Exam 3**
Mon.	**24-Jul**				**Exam 3**
Tue	25-Jul	25	11.1	p734:	3,5,6,9,12,13,14
Wed	26-Jul	26	11.1	p734:	15,16,19,20,23,24,26,27,29
Thu	27-Jul	27	11.2	p746:	2,5,8,10,12,13,15,16,17,18
Fri	28-Jul	28	11.2	p746:	19,21,23,25,26,29,30,31,32,47,48,49,50
Mon	31-Jul	29	11.3	p758:	1,3,6,8,11,12,14,16,17,20,22,23,26 27,29,31,34,35,36,40,41,43,44,59
Tue	**1-Aug**				**Review for the Final**
Wed-Fri	**Aug-2-4**				**Two-hour final. Date, time and location will be announced later.**

MA 154 GROUND RULES, SUMMER 2006

CLASS PERIOD: Students are expected to attend every class meeting and to read the appropriate sections of the text before coming to class. Instructors may not have time to cover every topic in class.

HOMEWORK: Homework is collected every day except before exams, in which case it will be collected the day of the exam. No early or late homework will be accepted. Two homework scores will automatically be excused. For more than two to be excused, valid, documentable reasons will have to be provided for ALL missed homework assignments.

QUIZZES: A quiz will be given at least once a week and often twice a week. No make-up quizzes will be given. One quiz score will automatically be excused. For more than one to be excused, valid, documentable reasons will have to be provided for ALL missed quizzes.

ACADEMIC ADJUSTMENTS FOR STUDENTS WITH DISABILITIES: Students who have been certified by the Office of the Dean of Students-Adaptive Programs as eligible for academic adjustments should go to MATH 909 and request an Information Sheet for this summer, that explains how to proceed this semester to get these adjustments made in Mathematics courses. There are different procedures in the summer than in the regular semesters.

This should be done during the first week of classes. Only students who have been certified by the ODOS-Adaptive Programs and who have requested ODOS to send their certification letter to their instructor are eligible for academic adjustments.

Students who are currently undergoing an evaluation process to determine whether they are eligible for academic adjustments, are encouraged to find out now what procedures they will have to follow if they are certified, by requesting the above mentioned Information Sheet from MATH 909.

Large print versions of the Information Sheet are available in MATH 909 upon request.

LATE REGISTRATION INTO THESE COURSES: Students will be allowed to enroll in these courses until June 30, 2006. If they enroll after the first midterm exam has been given, they will have to take an alternate exam in order to have a score for that midterm. If they enroll during the 3 days immediately before the first midterm, they will have the option of taking the midterm as scheduled, or an alternate exam a few days later. No student will be allowed to enroll in these courses after June 30, 2006, except under extenuating circumstances and WITH THE APPROVAL OF THE DEPARTMENT HEAD.

GRADES: Homework and quizzes are worth 100 points (50 points each), each midterm exam is worth 100 points, and the final is worth 200 points. At the end of the semester, each student's course grade is calculated using his/her *total points*. The course grades are calculated as follows: Letter grade cut-offs are determined for the final exam. Your instructor determines the number of each letter grade his students earned based on their final exam scores. Your instructor then lists all of his students' total points (out of the 600 total points available), in numerical order, highest first. If ten of his students receive an A according to the final exam, the first 10 students on the list of total points will automatically receive an A as their final grade in the course, and so on down the list for the other grades. Further, students within four points of a grade cut-off (based on the 600 total points available) will automatically be raised to the higher grade. Students who are between five and twelve points of a grade cut-off are considered borderline cases. If the grade obtained on the final exam is at least as good as the higher one in the borderline, the course grade will be raised; **otherwise it will not**. Prior to your course grade being available on SSINFO, you can obtain it by emailing your instructor using your Purdue email account. Instructors cannot respond with personal information to a non-Purdue email account.

CALCULATORS: Only a single-line, TI-30 calculator is allowed on quizzes and exams. No other calculator will be allowed. Students are not allowed to share calculators during quizzes and exams.

OFFICE HOURS: Each instructor and his/her grader have office hours. You are strongly urged to get help during office hours if you have questions. It is the best way to get individual help.

CHEATING: The Mathematics Department will not tolerate cheating of any sort. All cheating cases will be handled by the Dean of Students Office. Grade penalties will also be imposed by the Department.
