MA 111 FINAL EXAM Memo
Monday, December 10, 8 AM-10 AM
*LOCATIONS: LYNN 1136 or EE 170

1) Every student has an assigned seat. If your last name begins with an **A through a K**, you are in EE 170 and if your name begins with an **L through a Z**, you are in LYNN 1136. YOU MUST REPORT TO THE CORRECT BUILDING and KNOW YOUR ASSIGNED SEAT!

2) The final exam is cumulative and covers every lesson and all topics covered during the semester.

3) There are 30 multiple-choice problems on the exam. The exam will be machine graded. No partial credit will be given. **Double check answers before turning in your scantron.**

4) The exam is self-explanatory. No questions will be allowed **unless a student believes there is a typographical or printing error.**

5) The following are **appropriate review problems**.
   - The PRACTICE QUESTIONS FOR THE FINAL found on the course webpage (www.math.purdue.edu/ma111)
   - All of the old exams; those on the webpage and those used this semester.
   - All of the previous review problems given during this semester. (I will try to post those problems (with answers) again on the course webpage.)
   - The following problems can be used for review of topics covered since the third exam:
     Chapter 7 review problems, ps. 502-503   19, 20, 28, 29, 30, 32, 33, 34, 35, 37, 38, 44
     Chapter 8 review problems, p. 580   11, 13, 15, 16, 18
     These problems can be found by going to coursecompass. Click on Chapter Content, select chapter and scroll down to review exercises. The answers will be found on the course webpage.
   - Any of the online homework problems

6) Students need to know the formulas for the perimeter and area of a rectangle or triangle, the distance formula (d = rt), the slope formula, and the simple interest formula (I = prt). Formulas given on the exam are the quadratic formula, slope-intercept form, and point-slope form.

7) Students must bring a **PHOTO ID** with them to the exam. (Your instructor may not be at your location.) It is recommended that students arrive early, about 20 minutes early at least.

8) Students arriving after 45 minutes will be allowed to take the make-up (alternate) final. If they arrived late for a non-valid reason, a grade penalty will be applied.

9) Students who have another exam scheduled at the same time as this exam **or** students who have three final exams scheduled on that Monday, may request to take the alternate exam. **You must see the course coordinator at least by Thursday, December 6th to verify the conflict or schedule and schedule the alternate.**

10) A student must contact the course coordinator, Charlotte Bailey, in MA B13 IMMEDIATELY if some emergency prevents them from taking the exam. 496-3145. Because the exam is the first thing Monday morning, you may wish to email the coordinator immediately of the problem. However, follow up by seeing the coordinator in person as soon as possible.

For non-valid reasons, a make-up *may* be allowed with a <u>grade penalty</u>. Not knowing the right date, time, or location of an exam is NOT a valid reason for missing it.

REMINDER: NO calculators, scrap paper, or books are allowed on this exam.
