The homework for each lesson is due the class period following the day it is discussed in class. Online HW is due by 11:55 pm the day it would normally be collected in class.

The last day to drop to a lower math course is Thursday, September 20.

The last day to drop the course is Wednesday, October 24.

** You will have a quiz at least twice per week starting Friday, January 12 (there will only be one quiz given the first week). The quiz is a short, 5-7 minute, 2-3 question quiz at the end of the class period.

The only exceptions to days that a score will not take place are the optional review days before each exam and during dead week (no quiz, but homework will be hand written and collected the last week of class).
