

MA 11100 Exam 1 Memo

Exam 1 8:00 P.M.

Tuesday, September 23, 2008

LOCATION: ELLIOTT HALL OF MUSIC

- 1) Exam 1 covers chapter 1 plus sections 2.1 and 2.2. This is the material covered in **lessons #1-11**.
- 2) There are fifteen multiple-choice problems on the exam. The exam will be machine graded. No partial credit will be given. You are allowed 60 minutes for the exam.
- 3) The exam is self-explanatory. No questions will be allowed unless a student believes there is a typographical or printing error.
- 4) The following are **appropriate review problems**. These problems are not online. You must select the chapter contents on the homepage menu of www.coursecompass.com, select chapter 1 (or 2), and scroll down the section list to the bottom, where you will find Review Exercises. Click on that link and you will find the review problems. The answers to these problems will be found on the course webpage under exam info.
page 71: 2, 5-9, 11, 12, 14, 15, 18-29, 37-41, 44-48, 50, 51, 53-63
page 145: 11-15, 19, 20, 21, 47, 51
There is also a chapter test at the end of chapter 1 (1-14, 16-18, and 21-33) and end of chapter 2 (1-4, 7-9, 25(a)).
- 5) Students need to know the **formulas** for the perimeter and area of a rectangle or square, the area of a triangle, the sum of the angles in a triangle, the distance formula ($d = rt$), and simple interest formula ($I = Prt$). Any other formulas will be provided.
- 6) **Exams from previous semesters** are available on the web page. These are good for review purposes, but not a guarantee of what will or will not be on the exam. Do not use these past exams as your only means of studying. Review homework problems and quiz problems. You can review all of your homework problems by selecting the gradebook in coursecompass, then clicking on the blue underlined review at the right of each assignment. You will have to click on 'similar example' to practice the problem you select, unless you've never worked the problem.
- 7) Students must bring a **PHOTO ID** with them to the exam, preferably your Purdue ID. It is recommended that students arrive early, about 20 minutes early.

Information continued on the next page.

- 8) No one will be allowed to leave the exam site for the first 20 minutes of the exam. Students arriving after 20 minutes will be allowed to take the make-up exam. If they arrived late for a non-valid reason, a grade penalty will be applied.
- 9) Your instructor will describe where you will be seated and will assign seats. **You are to sit in your assigned seat.** Enter through the aisle(s) your instructor describes and find your seat. If you are in Andy Kiersz's classes, you will enter through aisles 2, 3, or 4 on the left side (facing the stage) of the main floor. You will have an odd numbered seat and, I believe, the seat numbers are on the right arm of the seat. If you are in Stacy Wohead's classes, you will enter through aisles 5, 6, or 7 on the right side (facing the stage) of the main floor. You will have an even numbered seat and, I believe, the seat numbers are on the left arm of the seat.
- 10) Before you enter the main floor of Elliott Hall of Music, you will be handed a lap board to write on during the exam. Please return those boards when you are finished with the exam. When you are finished, turn in your scantron (answer sheet) to your instructor and show your Purdue ID. If you are finished early, **leave quietly.** Wait for any friends in the lobby.
- 11) Bring with you the following: pencils, erasers, and Purdue ID. **Do not bring a calculator or scratch paper. Turn your cell phone off; or better, do not bring it. Do not wear hats or tinted glasses (sunglasses).**
- 12) A student must contact the course coordinator, Charlotte Bailey, in MATH 802 (496-3145 or baileycm@purdue.edu) IMMEDIATELY, if some emergency prevents him/her from taking the exam. You must see Charlotte in person ASAP to arrange to take the alternate exam.

If you have an academic conflict with any of the evening exams, you must let the course coordinator know no later than two business days (Friday, Sept. 19) before the exam takes place. If you have an emergency situation that will prevent you from attending an evening exam you must contact the course coordinator by telephone or in person (not by voice mail or e-mail) no later than 2:00 PM on the day of the exam.

For non-valid reasons, a make-up *may* be allowed with a grade penalty. Not knowing the right date, time, or location of an exam is NOT a valid reason for missing it.

REMINDER: NO calculators are allowed on this exam.
