These grades are intended for approximations only. Remember that your goal is to get as many points as you can. The more points you earn, the better your chances to get a higher grade.

Your daily scores and online HW scores together count as the equivalent of one exam. Keep track of your daily averages. Use the following approximations for online HW: 90% or higher A, 80-89% B, 65-79% C, 50-64% D, below 50% F. If you average your daily scores and online homework together you have the equal of one exam.

If you need to discuss your grade, you may see the course coordinator or your instructor.
