

Following are the approximate letter grade cut-offs from exam 3:

Overall average for Exam 3: 66.8

A 90 - 100

B 80 - 89

C 62 - 79

D 47 - 61

F 0 - 46

Also, this curve should not be used as an absolute determination of what letter grade you have in the course. It is provided for your own information and as an indication of how your score compares to others. Also consider where in the range your score falls. For example, a score of 80 could be regarded as a C or a B (it is very close to a C). Your **TOTAL NUMBER OF POINTS** earned during the semester determines your final letter grade in the course.

A reminder that the final exam is worth 200 out of 650 points (or about 30% of your final letter grade). You really need to keep up on the paper and pencil homework as the final exam has at least 7-8 questions from chapter 5 (out of 30 questions). More information about the final exam to be given right after Thanksgiving break.
