The homework for each lesson is due the class period following the day it is discussed in class. The online HW is due 11:55 pm on its respective due night.

The last day to drop to a lower math course is Thursday, September 25.

The last day to drop the course is Tuesday, October 28.

\*\* You will have a quiz at least twice per week starting Friday, August 29 (there will only be one quiz given the first week). The quiz is a short, 5-7 minute, 2-3 question quiz at the end of the class period. The only exceptions to days that a score will not take place are the optional review days before each exam and during dead week (no quiz, but homework will be hand written and collected the last week of class).
