

Student Registration Guide – Online Purchase

1. Go to www.mathzone.com and choose the *Register for MathZone Now* button.

The screenshot shows the MathZone homepage with the following elements:

- McGraw-Hill Higher Education logo and MathZone logo.
- Slogan: "Assess. Learn. Succeed."
- Navigation menu: Features, Product Tour, Training, Support, Community.
- Sign In section with Username and Password fields.
- Registration options: "register now" and "forgot password".
- Three main content boxes:
 - Step 1:** "New Site! Register for MathZone Now" (highlighted with a red box).
 - Welcome to MathZone:** A complete online homework system for mathematics and statistics with a powerful student assessment diagnostic tool.
 - View the MathZone Tour:** See how MathZone can help you help your students. Includes a "Click here for a tour" button.

2. Click the Plug-in Checker to verify you have the plug-ins needed to use MathZone.

3. Select the book you are using from the drop-down menu.

The screenshot shows the registration process with the following elements:

- Step 1 - Gather your materials:** Lists requirements for registration:
 - Your Section ID from your instructor.
 - Your textbook title, author, and edition.
 - Your registration code or a major credit card to purchase MathZone online.
 - Your e-mail address.
- Step 2 - Select your book:** A dropdown menu is highlighted with a red box and labeled "Step 3".
- Plug-in Checker:** A button highlighted with a red box and labeled "Step 2".
- Registration Documents:** A link to "How To Register as an Instructor".
- Support Information:** Call Toll Free: 1-800-331-5094, Support Services Hours (CST), and contact information for the Digital CARE team.

4. Click on I am a Student under Need to Register.

Step 4

5. Click on the "Buy Online" option to begin registration.

Step 5

The screenshot shows the "Buy Online" option with the following elements:

- Text: "Don't have a code?"
- Credit card logos: VISA, Discover, American Express, MasterCard.
- Text: "If you don't have a registration code, you can purchase access to Calculus for Business, Economics, and the Social and Life Sciences by credit card."
- Buy Online** button (highlighted with a red box).

6. Confirm that you're about to purchase access to the correct MathZone site by double checking the author, title, and edition. Enter your email address in the space provided to see if you already have an account, then click Submit.

The screenshot shows the registration confirmation page with the following elements:

- Step 6:** "Buy Online" button (highlighted with a red box).
- Text: "You are registering for:"
- Book information:
 - Image of the book cover: "CALculus"
 - Title: "Calculus for Business, Economics, and the Social and Life Sciences"
 - Edition: 9
 - Author: Laurence Hoffmann, Gerald Bradley

Tax: \$0.00
Order Total: \$25.00

Go Back Place My Order

(Your credit card will be charged when you click Place My Order.)

10. In the *Section Code* box in the middle of the screen, enter the code your instructor provided you. You'll then be added to your instructor's roster and gradebook. Then click the *Go* button.

Feel free to write it here for your reference:

Section Code: _____

Course List Self Study

New User

Welcome to MathZone! There are two options for using the site:

- You can enroll in a course that your instructor has created. Once joining a course, you can take assignments and have your grades recorded in gradebook.
- Without joining a course, you can use the site as a self-study tool. To access your study materials, click on the **Self Study** tab above.
