- 6) Exams from previous semesters are available on the web page. These are good for review purposes, but not a guarantee of what will or will not be on the exam. Do not use these past exams as your only means of studying. Review homework problems and quiz problems, as well as the review problems above.
- 7) Students must bring a **PHOTO ID** with them to the exam, preferably your Purdue ID. It is recommended that students arrive early, about 20 minutes early.
- 8) No one will be allowed to leave the exam site for the first 20 minutes of the exam. Students arriving after 20 minutes will be allowed to take the make-up exam. If they arrived late for a non-valid reason, a grade penalty will be applied.

Information continued on the next page.

- 9) Your instructor will describe where you will be seated and will assign seats. You are to sit in your assigned seat. (Enter through aisles 6 or 7 to find your seat. You will be in rows B through H, which are midway down the aisles.)
- 10) Bring with you the following: pencils, erasers, and Purdue ID. **Do not bring a calculator or scratch paper. Turn your cell phone off; or better, do not bring it. Do not wear hats or tinted glasses (sunglasses).**
- 11) A student must contact the course coordinator, Charlotte Bailey, in MA B13 IMMEDIATELY, if some emergency prevents them from taking the exam. 496-3145 or baileycm@purdue.edu. You must see Charlotte in person ASAP to arrange to take the alternate exam.

If you have an academic conflict with any of the evening exams, you must let the course coordinator know no later than two business days (Tuesday, April 1) before the exam takes place. If you have an emergency situation that will prevent you from attending an evening exam you must contact the course coordinator by telephone or in person (not by voice mail or e-mail) no later than 2:00 PM on the day of the exam.

For non-valid reasons, a make-up *may* be allowed with a grade penalty. Not knowing the right date, time, or location of an exam is NOT a valid reason for missing it.

REMINDER: NO calculators are allowed on this exam.
