MA 152 Exam 2 Memo, Summer 2008

- 1. Exam 2 is during the regular class time on Monday, July 7 in UNIV 217 or REC 226.
- 2. You will have the whole 60 minutes to complete the exam. If you arrive late to class, you will only have the remaining minutes of class time to complete the exam.
- 3. The day prior to the exam (Thursday, July 3) is a review class. The following problems will be good review problems to discuss on that day. (Other questions, such as ones from old exams, may be asked as well.)
 - Page 158 (Chapter 1 Review Problems) 23, 24, 27, 31, 33, 34, 37-40, 42, 43, 45, 46, 49, 51, 53, 58, 60, 62, 67, 68, 69, 80-83
 - Page 233 (Chapter 2 Review Problems) 9, 11, 12, 14-16, 21, 25, 29-32, 36-39, 41, 44, 45, 47, 48, 50-52, 70, 72
- 4. No calculator is allowed for this exam.
- 5. No formulas are provided for this exam.
- 6. If you cannot take the regular exam because of an extenuating circumstance that you are aware of prior to that day, you must notify the instructor within 24 hours prior to the exam. You must meet with the course coordinator, Charlotte Bailey in MATH 802, to make arrangements to take an alternate exam.
- 7. If an emergency occurs, which prevents you from taking the regular exam; you must see the course coordinator, Charlotte Bailey in MATH 802, as soon as possible. Do not leave a message on her voice mail. You may send an email message to explain what has happened to your instructor and to the coordinator. Missing the exam for a non-valid reason may result in a grade penalty.
- 8. Lessons covered on the exam include lesson 9 through 16. Sections in the book are 1.3 through 1.8 and 2.1 through 2.5.
- 9. Exams from previous semesters are available on the course web site. However, these problems are multiple-choice and your exam will not be multiple-choice. These problems may also not represent every type of problem that may appear on your exam. They are good for review purposes, but are not a guarantee of what may or may not appear on your exam.
- 10. You need to bring pencils and/or an eraser with you.
