

The final exam for Math 13700 will take place at 8:00 AM on Monday, December 13, 2010 in EE 129.

The exam will have 18 questions. Ten multiple-choice questions will be worth 7 points each. Eight open-answer questions will be worth 10 points each. Partial credit will be given on the open-answer questions only.

No calculators will be allowed. It is good to arrive 15 minutes early. Of course, bring your photo ID.

The following is a list of recommended problems from sections 10.3-11.4 of the Supplementary Learning Exercises in Appendix C of the text. These are the sections covered during lessons 30-35, after exam 3.

Section	Problem numbers
10.3	2bc, 4
11.1	2, 3, 4, 9, 11, 12, 14
11.2	3ae, 4, 7, 8, 9a, 11
11.3	1ab, 3aeh, 4ad, 5fh, 6
11.4	3
