

OFFICE HOURS: Course Coordinator, Owen Davis (Office: MATH 812)

Monday, Wednesday, and Friday – 8:30 to 11:00AM & 12:30 to 1:30PM

NOTE: The above hours are for any and all **mathematics help questions** or **administrative issues**.

NOTE: For **administrative issues** specifically, any time you can find me I will try to assist you, since I am the only one who can make decisions concerning **administrative issues**. Tuesdays and Thursdays, 9:30 to 11:30AM are particularly good, consistent times to find me in my office(MATH 812) for **administrative issues**. Emailing me concerning **administrative issues** at odavis@math.purdue.edu is fine too.

OFFICE HOURS: Lecturer, Charlotte Bailey (Office MATH 802)

Tuesday – 10:30 to 11:30AM & 1:30 to 2:30PM

Wednesday – 9:30 to 10:30AM

Thursday – 9:30 to 11:30AM

NOTE: These hours are specifically for **mathematics help questions**, see Owen Davis, the course coordinator concerning all administrative issues.

OFFICE HOURS: MATHEMATICS HELP ROOM

Room MATH 205 is ‘The Math Help Room’ and is open Monday to Thurs 10:30AM to 5:30PM & Friday from 10:30AM to 2:30PM Any student can get help from any of the instructors in that room during these office hours. After the first week of classes, the office hour schedule will be posted on each instructor’s door and students may get a copy online. You are strongly urged to go to someone’s office hours if you have questions. It is the best way to get individual help.
