

## MA 23100 - Exam 2 Curve - Fall 2010

Just a reminder: These cutoffs are preliminary, and should only be used as an indicator of how you did on this exam. The Final Exam is used, along with Exam 2, to determine the curve for the course at the end of the semester. All scores, including homework and quiz scores are used in determining final grades. See the course information sheet for more information.

A: 76 - 100

B: 59 - 75

C: 38 - 58

D: 29 - 37

F: 0 - 28

The overall average was 51.4.
