** July 14 is the last day a student may drop a course.

The paper homework for the lesson is due the next class after it is presented. Exceptions will be lessons immediately preceding exams 1, 2, or 3. I will collect those assignments the day of the exam. Online homework is due at 3:00 PM of the next class date after the lesson is presented. This allows students to ask questions about the homework in class and still complete it within a few hours.

All paper homework assignments are due in class when the class hands them in. I do not accept them early, late, in my mailbox, under my office door, or before class. Do not give them to someone in class to hand in for you. Do not hand the homework to me at the start of class and leave.

No quizzes may be made-up or taken early.

Exams 1, 2, and 3 are given in class, during the normal class time. Note: Regular exams will be in EE 129, not the regular classroom. The final exam is two hours and will be given on either August 4th, 5th, or 6th. The date, time, and location will be announced later in the summer.

Exam 1: Lesson 1-9

Exam 2: Lesson 10-17

Exam 3: Lesson 18-26

I will automatically excuse **two** online homework scores, **two** paper homework scores, and **one** quiz score at the end of the semester. Since attendance is very important, I am not lenient in excusing additional work without documentation.

Plan on being in class every day. If you're in class, you're in for the entire hour. Do not get up to leave as soon as the homework is collected. It is rude and discourteous. **Be on time for class. Tardiness is rude and discourteous.** Your homework and/or quiz may not be graded, if you are habitually tardy or leave early.
