93 – 100: A

80 – 92: B

60 – 79: C

53 – 59: D

0 – 52: F

Keep track of your approximations on exams and quizzes and your percent average on the online homework. Each regular exam is 100 points and there are three during the semester for a total of 300 of the 600 possible points. Your quizzes are scaled to 50 points and your online homework is scaled to 50 points. Together they are a total of 100 points, the equivalent of an exam. The final exam is 200 points, the equivalent of two regular exams. Your goal is to earn as many points as you possibly are able.
