

MA 22100 Midterm Exam 2 Information

Monday, February 28, 8:00 pm -- 9:15 pm in LILY 1105

Your instructor will assign seats for your class and only he or she will know your assigned seat. The course webpage shows the location where your class will be sitting. If you arrive more than 30 minutes late, you will not be allowed to take the exam. Instead you will have to get an alternate exam form from your instructor and will receive a 20 point penalty on the alternate exam (unless a documented emergency prevented you from arriving on time).

The exam is 75 minutes long and consists of 13 multiple-choice questions. The exam covers Lessons 11-19 or sections 2.7 (part 2 of 2), 2.9, 6.1, 6.2, 6.3, 3.1, 3.2. No formulas are provided on the exam. Only the scantron answer sheet will be graded, so be very careful in coding your answer choices. No regrades will be allowed for miscoded/uncoded answer sheets.

Your exam score will be available on the course web page (not on Blackboard) four days later. Letter grade estimates will be announced in class and will also be available on the course web page.

To request an alternate exam, you must see your instructor as soon as you know you will miss the exam. If you miss the exam due to serious personal illness or family emergency, you will need to provide documentation. If you miss the exam for another reason, you may be allowed to take an alternate, but it will be with a 20 point penalty.

The alternate exam will take place on Thursday, March 10, 6:00 pm. You must obtain an alternate exam form (blue slip) from your instructor and take it to MATH 242 to reserve a seat at the alternate exam.
