\*\* July 13 is the last day a student may drop a course.

The paper homework for the lesson is due the next class after it is presented.

No quizzes may be made-up or taken early.

Exams 1, 2, and 3 are given in class, during the normal class time. **Note: Regular exams will be in EE 270, not the regular classroom.**

**The final exam is two hours and will be given on either August 3, 4, or 5. The date, time, and location will be announced later in the summer.**

Exam 1: Lesson 1-9

Exam 2: Lesson 10-17

Exam 3: Lesson 18-26

I will automatically excuse **three** paper homework scores and **two** quiz score at the end of the semester. Since attendance is very important, I am not lenient in excusing additional work without documentation.

Plan on being in class every day. It is critical to success in these fast paced summer courses.
