

MA 15200 Calculator Policy

CALCULATORS

No calculators are allowed on quizzes and exams until after exam 1. After Exam 1 the only calculator allowed on exams and quizzes is a TI-30XA. See the picture below. **No other calculator is allowed!** You may need a calculator for homework prior to exam 1.

The calculators marked out on the second page are not allowed on exams or quizzes. Notice: Not all TI-30 calculators are allowed. It must be an XA after the 30.
