** July 13 is the last day a student may drop a course.

The homework for each lesson is due the next class after the lesson is presented. The exception will be the last lesson before exams 1, 2 and 3. Those assignments will be collected the day of the exam.

All homework assignments are due in class when the class hands them in. I do not accept them early, late, in my mailbox, under my office door, or before class. Do not give them to someone in class to hand in for you. Do not hand it to me at the start of class and leave.

No quizzes may be made-up or taken early.

Exams 1, 2 and 3 are given in class, during the normal class time. The final exam is two hours and will be given on either August, 3rd, 4th, or 5th. The date, time and location will be announced later in the summer.

Exam 1: Lesson 1-8

Exam 2: Lesson 9-17

Exam 3: Lesson 18-24

I will automatically excuse **two** homework scores and **one** quiz score at the end of the session. Since attendance is very important, I am not lenient in excusing additional work without documentation.

Plan on being in class everyday. If you're in class, you're in for the entire hour. Do not get up to leave as soon as the homework is collected. It is rude and discourteous. **Be on time for class. Tardiness is rude and discourteous.** Your homework and/or quiz will not be graded if you are habitually tardy or leave early.
