

Advisory Cutoffs For the Final Exam

A: 166-200
B: 149-165
C: 111-148
D: 92-110
F: 0-91

The average score was 124.5, with a standard deviation of 34.6. The median score was 126.

Remember that these are advisory cutoffs only. These are used to determine the curve for your section, but your overall letter grade depends on your total score, including all exams, homework and quizzes. See the ground rules for more information on grades. Course grades should be available via mypurdue starting on Wednesday. You should contact your instructor directly if you have questions concerning your grade or your scores. Please note that your instructor cannot give you your course grade via email, so you must use mypurdue to view this.
