Handwritten homework	50pt
Two midterms@150each	300pt
<u>Final Exam</u>	<u>200pt</u>
Total	700pts

Course webpage: <http://www.math.purdue.edu/academic/courses>

Calculators: Calculators will not be allowed on exams or quizzes.

Important Comment: Class attendance is expected.

Academic Adjustments: Students who have been certified by the Office of the Dean of Students-Disability Resource Center (ODOS-DRC) as eligible for academic adjustments should go to MATH 242 with a copy of their certification letter and request the Information Sheet for their course. Certification letters should be submitted to MATH 242 during the first week of classes or as soon as students receive their letters.

The course Information Sheet explains how to proceed this semester to get adjustments made in your mathematics course. It may not be the same as last semester.

Only students who have been certified by the Office of the Dean of Students-Disability Resource Center and have requested their certification letters be sent to their instructors are eligible for academic adjustments.

Students who are currently undergoing an evaluation process to determine whether they are eligible for academic adjustments should also go to MATH 242 and request the Information Sheet for their course to find out now what procedures they will have to follow when they are certified.

Large print copies of the Information Sheet are available from MATH 242 upon request.

Campus Emergency Information In the event of a major campus emergency, course requirements, deadlines and grading percentages are subject to changes that may be necessitated by a revised semester calendar or other circumstances beyond the instructors control.

Online Course Evaluations You will be provided an opportunity to evaluate this course and your instructors. You will receive an official email from evaluation administrators with a link to the online evaluation site. Your feedback is vital to improving education at Purdue. We strongly urge you to participate in the evaluation system.
