

MA 15400, Fall 2012

The Exam 2 scores will soon be available in the grade book in WebAssign.

Cutoffs for Exam 2

A 90

B 80

C 65

D 50

The average was 70.3

The median score was 73

12 scores of 100

240 students took the exam

Again, 2 students failed to answer every question on the exam. No dress for Mr. Delworth.

Funny thing: The two versions of the exam were exactly the same; same questions in the same order, with the same answers in the same order. However, the students with the Green exams had an average of 68.5% and the students with the Orange exams had an average of 71.8%.

Please look at the next page to see the difficulty level of each problem.

MA 15400, Fall 2012
