

Course Webpage: <http://www.math.purdue.edu/MA266>

Midterm Examinations: To be determined by lecturer.

Final Examination: There will be a two-hour comprehensive final during final exam “week” December 10–15. The time and place will be announced later.

Grades: Your course grade will be determined from your total score of a combination of class exams and/or quizzes, homework (including Supplementary Problems), Computer Projects and a final exam.

Calculators: Calculators will not be allowed on exams or quizzes.

Important Comments: Class attendance is expected. Reading the sections in the textbook ahead of time is strongly recommended. Check the course webpage often. It contains lecturer contact information, assignment sheet, Supplementary Problems, Computer Projects, and MATLAB tutorials for **dfield8**, **eul**, **ode45**, and **pplane8**.

IMPORTANT DATES

Sep 3	5pm	Last day to cancel a course assignment without it appearing on record
Sep 17	5pm	Last day to cancel a course assignment without a grade
Oct 24	5pm	Last day a course assignment may be cancelled (with passing or failing grade)

ACCOMMODATIONS FOR STUDENTS WITH DISABILITIES

The Department of Mathematics offers alternative testing environments for students who are registered with the Disability Resource Center. Students who need accommodations must deliver a copy of their Accommodation Notification Memorandum to the Undergraduate Services Office (MATH 242) and request an information sheet for their course.

Memorandums should be delivered to the Undergraduate Services Office (MATH 242) within one week of receipt from the Disability Resource Center.

The Information Sheet explains the process for receiving exam accommodations for your mathematics course. Enlarged copies of the information sheets are available upon request. Students currently undergoing evaluation through the Disability Resource Center should also request an information sheet from the Undergraduate Services Office (MATH 242).

ONLINE COURSE EVALUATION SYSTEM

During the last two weeks of the semester, you will be provided an opportunity to evaluate this course and your instructor(s). To this end, Purdue has transitioned to online course evaluations. On Monday of the fifteenth week of classes, you will receive an official email from evaluation administrators with a link to the online evaluation site. You will have two weeks to complete this evaluation. Your participation in this evaluation is an integral part of this course. Your feedback is vital to improving education at Purdue University. We strongly urge you to participate in the evaluation system.

CAMPUS EMERGENCY NOTICE

In the event of a major campus emergency, course requirements, deadlines and grading percentages are subject to changes that may be necessitated by a revised semester calendar or other circumstances. Please refer to the course web page <http://www.math.purdue.edu/MA266> to get the information about changes in this course.

The Mathematics Department, following Purdue Policy, prohibits academic dishonesty. For details about the Purdue Policy on academic dishonesty see <http://www.purdue.edu/odos/osrr/academicintegritybrochure.php>
