

Span Plan Adult Student Services helps answer student questions such as:

What do I want to be when I grow up?	How do I meet other adult students on campus?
How do I drop a class? What's the deadline?	How do I know what classes transfer to Purdue?
How much time should I spend studying?	What does it take to be successful at Purdue?
How do I change majors?	Do I qualify for grants and scholarships?
What if I do not know how to study?	How do I find career information online?
What classes should I take first?	What if I am unable to complete the semester?
How do I test out of classes?	How do I write a resume & cover letter?
What if I need a tutor?	How do I prepare for a job interview?
How do I apply for Span Plan funding?	What are other sources for funding?
Where can I get help with research and writing papers?	What student enrichment programs are offered on campus?
Should I pursue a second bachelor's degree or look for work?	What opportunities are there for leadership on campus?
I need quick money for a book, where do I go?	If my child is sick, what is the attendance policy at Purdue?
Do I need to take the SAT or ACT?	Do I meet admission requirements?

Please take time to review the detailed information about the services *Span Plan* provides for adult nontraditional students at Purdue at the URL below.

If you have any questions/concerns, feel free to call (765) 494-1254 to schedule an appointment.
