THUR	1:30-2:20pm	BRNG 1238	Rachit Agarwal
THUR	3:30-4:20pm	BRNG 1238	Amy Buckman

What it is and why it works

- ❖ Supplemental Instruction offers peer led group study sessions. Each session is targeted towards the class material from the previous lecture. It is a free and voluntary service for all MA 154 students. Come to make friends and learn course material through more active involvement with the subject material.
- ❖ Sessions may include games, worksheets, races, laughs, or candy.
- ❖ Bring class notes, questions, friends, and a calculator.
