

Ground Rules for MA 262, Spring 2012

Midterm Examinations: There will be two one hour midterm exams. The time and place will be announced later.

Final Examination: There will be a two-hour, comprehensive final during exam week. The time and place will be announced later.

Grades: Course grades will be determined from your total score, whose components have the following maximum values:

Recitation (Homework and Quizzes)	200
Two midterms at 100 each	200
<u>Final Exam</u>	<u>200</u>
Total	600

Course Webpage: <http://www.math.purdue.edu/academic/courses/MA26200/>

Calculators: Calculators will not be allowed on exams or quizzes. It is important that you learn to do simple manipulations by hand.

Important Comment: Class attendance is expected. Reading the sections in the textbook ahead of time is recommended.

Academic Adjustments for Students with Disabilities: Students who have been certified by the Office of the Dean of Students–Disabilities Resource Center as eligible for **academic adjustments** should go to MATH 242 with a copy of their certification letter and request an *Information Sheet* for **this** semester, that explains how to proceed this semester to get these adjustments made in Mathematics courses. It is not the same as an year ago. **This should be done during the first week of classes or as soon as the student receives their letter.** Only students who have been certified by the ODOS-Disability Resource Center and who have requested ODOS to send their certification letter to their instructor are eligible for academic adjustments.

Students who are currently undergoing an evaluation process to determine whether they are eligible for academic adjustments, are encouraged to find out **now** what procedures they will have to follow when they are certified, by requesting the above mentioned Information Sheet from MATH 242.

Large print copies of the *Information Sheet* are available from MATH 242 upon request.

Important Dates:

Last day for a student to drop a course without it being recorded: Monday, January 23, 2012, 5:00pm.

Last day for a student to drop a course without a grade: Monday, February 6, 2012, 5:00pm.

Last day for a student to drop a course with a passing or failing grade: Monday, March 19, 2012, 5:00pm.

In case of emergency: In the event of a major campus emergency, course requirements, deadlines and grading percentages are subject to changes that may be necessitated by a revised semester calendar or other circumstances. Here are ways to get information about changes in this course: by visiting the course web page indicated above; by or by calling emailing your instructor, see <http://www.math.purdue.edu/people/faculty/> for contact information.

Academic Dishonesty: Purdue prohibits academic dishonesty. According to University policy cheating, plagiarism, lying, and deceit in any of their diverse forms (such as the use of substitutes for taking examinations, the use of illegal cribs, plagiarism, and copying during examinations) is dishonest and must not be tolerated. Moreover, knowingly to aid, abet, directly or indirectly, other parties in committing dishonest acts is in itself dishonest. If found guilty of academic dishonesty, possible penalties include a failing grade, a warning, probation, probated suspension, suspension, or expulsion. For more details about the Purdue Policy on academic dishonesty see

<http://www.purdue.edu/odos/osrr/academicintegritybrochure.php>
