

Course Webpage: <http://www.math.purdue.edu/MA266>

Midterm Examinations: To be determined by lecturer.

Final Examination: There will be a two-hour comprehensive final during final exam “week” December 12–17. The time and place will be announced later.

Grades: Your course grade will be determined from your total score of a combination of class exams and/or quizzes, homework (including Supplementary Problems), Computer Projects and a final exam.

Calculators: Calculators will not be allowed on exams or quizzes.

Important Comments: Class attendance is expected. Reading the sections in the textbook ahead of time is strongly recommended. Check the course webpage often. It contains lecturer contact information, assignment sheet, Supplementary Problems, Computer Projects, and MATLAB tutorials for **dfield8**, **pplane8**, numerical methods and **ode45**.

IMPORTANT DATES

Jan 23	5pm	Last day to cancel a course assignment without it appearing on record
Feb 6	5pm	Last day to cancel a course assignment without a grade
March 19	5pm	Last day a course assignment may be cancelled (with passing or failing grade)

ACADEMIC ADJUSTMENTS FOR STUDENTS WITH DISABILITIES

Students who have been certified by the Office of the Dean of Students-Adaptive Programs as eligible for **academic adjustments** should go to MATH 242 with a copy of their certification letter and request an *Information Sheet* for **this** semester, that explains how to proceed this semester to get these adjustments made in Mathematics courses. It is not the same as last semester. **This should be done during the first week of classes.** Only students who have been certified by the ODOS-Adaptive Programs and who have requested ODOS to send their certification letter to their instructor are eligible for academic adjustments. Students who are currently undergoing an evaluation process to determine whether they are eligible for academic adjustments, are encouraged to find out **now** what procedures they will have to follow when they are certified, by requesting the above mentioned *Information Sheet* from MATH 242. Large print copies of the *Information Sheet* are available from MATH 242 upon request.

ONLINE COURSE EVALUATION SYSTEM

During the last two weeks of the semester, you will be provided an opportunity to evaluate this course and your instructor(s). To this end, Purdue has transitioned to online course evaluations. On Monday of the fifteenth week of classes, you will receive an official email from evaluation administrators with a link to the online evaluation site. You will have two weeks to complete this evaluation. Your participation in this evaluation is an integral part of this course. Your feedback is vital to improving education at Purdue University. We strongly urge you to participate in the evaluation system.

CAMPUS EMERGENCY NOTICE

In the event of a major campus emergency, course requirements, deadlines and grading percentages are subject to changes that may be necessitated by a revised semester calendar or other circumstances. Please refer to the course web page <http://www.math.purdue.edu/MA266> to get the information about changes in this course.

The Mathematics Department, following Purdue Policy, prohibits academic dishonesty. For details about the Purdue Policy on academic dishonesty see <http://www.purdue.edu/odos/osrr/academicintegritybrochure.php>
