

MA 15300, MA 15400, and MA 15800 all use the same textbook:

Algebra and Trigonometry with Analytic Geometry by Swokowski and Cole, Classic 12th Edition, Brooks/Cole (2010).

It is very important that you purchase the ‘Classic’ edition as there are two different versions of the 12th edition in the market. If you purchase it at a local bookstore, you should have no problems. If you are ordering a textbook online, you need to be careful.
