Exam 1 for Math 13900 will take place on Monday, September 16, 2013 from 8:00-9:30 pm in LILY 1105.

Please arrive 15 minutes early and bring your Purdue ID or some other form of photo ID.

Bring a ruler and protractor to use for the exam.

The exam has three multiple-choice problems and ten open-answer problems for a total of 13.
For the multiple-choice questions, there is one for each chapter.
For the open-answer questions, there is one for each lesson.

The exam is worth 100 points.

Students may not ask an instructor to clarify or explain an exam question during the exam.

Review questions for the exam can be found at the end of each section as **Supplementary Learning Exercises**.

Here is a selection of these problems to focus on:
16.1   1, 3, 4
16.2   1, 2, 7a, 8a, 9a
16.3   2c, 3, 4a
16.4   3, 5
16.5   2
17.1   1, 2aceh, 3kmn, 4b, 5a
17.2   2
17.3   1, 2ab
18.1   1, 2b
18.2   1, 2

Review questions from previous exams are also posted on this web page. On review day you will have the opportunity to ask questions about these and the supplementary exercises listed here. Your exam will cover ideas from lessons 1-10, but the format of the questions may be different from anything you have seen before.

No class will be held on Wednesday, September 18, 2013.
