On problems for which you use your calculator, write on the exam paper what you type into the calculator in order to receive full credit.

The final exam for Math 13800 will take place at 7:00 PM on Thursday, May 2, 2013 in ARMS B061.
You will have 2 hours for the exam.

The exam will have 18 questions. Ten multiple-choice questions will be worth 7 points each. Eight open-answer questions will be worth 10 points each. Partial credit will be given on the open-answer questions only. Five questions will be from lessons 31-35. The remaining questions are from the first 30 lessons.

Helpful hint: the answer "None of the above" is sometimes used, but not often.

Non-graphing calculators will be allowed. Cell phones may NOT be used as a calculator. It is good to arrive 15 minutes early. Of course, bring your photo ID.

The following is a list of recommended problems from sections 31.2 – 33.2 of the Supplementary Learning Exercises at the end of each section of the text. These are the sections covered during lessons 31-35, after exam 3.
